

Parent Handbook Acknowledgement and Code of Conduct Agreement 2026-2027

:

I/We acknowledge that we have received, read, and understand the Learning Springs Academy (“LSA”) Parent Handbook. We agree to abide by all policies, procedures, and expectations outlined therein, as they may be amended from time to time at the sole discretion of LSA.

I/We understand that the Parent Handbook is not a contract but serves as a guide to school policies, procedures, and expectations. LSA reserves the right to modify, update, or revise the Handbook at any time, with or without prior notice, as permitted by applicable law.

I/We acknowledge that it is our responsibility to review and remain informed of all current policies and procedures. Continued enrollment of our child at LSA constitutes acceptance of any updates or revisions to the Handbook.

I/We understand that non-compliance with school policies may result in administrative action, up to and including termination of my/our child’s enrollment in the program.

Parent/Guardian Code of Conduct Acknowledgment

As members of the Learning Springs Academy community, I/we agree to uphold standards of professionalism, cooperation, and mutual respect in all interactions related to the school.

I/We agree to:

- Engage in respectful, solution-oriented communication with LSA staff and administration
- Utilize established communication channels and procedures when addressing questions or concerns
- Refrain from conduct that is disruptive, hostile, or undermines the school environment, including inappropriate verbal, written, or electronic communications
- Respect the privacy and confidentiality of students, families, and staff
- Support the school’s policies and decisions by addressing concerns through appropriate administrative processes

I/We understand that conduct inconsistent with these expectations may, at LSA’s sole discretion, result in appropriate action, including but not limited to restrictions on campus access, required administrative meetings, or termination of enrollment.
