Parent Statement

Thank you for your interest in Learning Springs Academy. We consider parents to be an integral part of a child's education. Your description of your child will help us understand them better. (Please use a separate sheet of paper to respond.)

1. Describe your child, including strength and challenges, motivations, and needs.
 - a. General temperament
 - b. Emotional development
 - c. Social relations (adults & peers)
 - d. Physical stamina/health
 - e. Distinctive abilities/interests (artistic, athletic, etc)
 - f. Academic skills (applicants for grades 1 – 8 only)
2. Describe your child's previous school and/or daycare experiences. What were the positive aspects? What were the difficulties?
3. Describe the ways your child utilizes unstructured time.
4. Describe any aspects of your family history or structure that are significant to your child's schooling (e.g., marital separations, divorce, death of a family member, gain of a new family member, change in residence).
5. What are your short-range and long-range goals for your child's education?
6. Has your child even been referred for developmental/educational testing? Have they ever worked with a tutor or learning specialist? If so, please describe briefly and provide the Admissions Office with all testing results.
7. Why would you like your child to attend Learning Springs Academy?
